**Exhibit "A"**  
Curriculum Vitae

Germán Losada is Managing Director of Riverstone, based in Mexico City, with more than 10 years experience in private equity, fully focused on the broad energy sector in Europe, US and Latam.

Mr. Losada leads Riverstone's decarbonization growth equity and infrastructure efforts in Latin America with a strong expertise in building new companies, such as the recent launching of VEMO, which is the largest integrated clean mobility company in Mexico.

Mr. Losada serves as Chairman of VEMO and is a member of the Boards of Directors of Energía Real, White River Renewables y A2 Renewables. He is also an Investment Committee member of Riverstone's renewables private equity fund in Mexico.

Prior to joining Riverstone, Mr. Losada worked in the European private equity group of First Reserve and in the investment banking division of Goldman Sachs in its Global Natural Resources and Latin America groups.

Mr. Losada graduated from the University of San Andrés in Argentina, where he earned a degree in Business Administration.
