

Mexico City, Mexico, December 20, 2022

On December 19, 2022, Vista Energy, S.A.B. de C.V. (“Vista”) (NYSE: VIST in the New York Stock Exchange; BMV: VISTA in the Mexican Stock Exchange) repurchased 50,000 Series A shares of Vista, at a price of Mexican Pesos 268.45 per Series A share. These repurchases were made in furtherance of the approval granted at the general ordinary shareholders’ meeting held on December 7, 2022. The total amount of these Series A shares repurchases, excluding fees and value-added tax, was approximately Mexican Pesos 13,422,500. After giving effect to such repurchases, there were 88,251,250 Series A shares outstanding, and 200,000 Series A shares held in Treasury derived from repurchases carried out by Vista since December 12, 2022. Vista engaged Casa de Bolsa Credit Suisse (México), S.A. de C.V. to execute these Series A shares repurchases.
